**SACRAMENTO** – State Controller John Chiang said today he will pay \$286.4 million to school districts, educational institutions and state agencies from the Lottery Education Fund.

“I’m pleased this money will help give our students the resources they need to succeed,”  
Controller Chiang said.

Payments to K-12 schools and community colleges are made to county treasurers, who distribute the money to school districts. Funds for the University of California and Hastings College of the Law are sent directly to those institutions. The funds for State departments are deposited directly in their accounts.

The Controller’s Office makes quarterly payments based on Lottery income and unclaimed on-line prizes. Proposition 20, which voters passed in March 2000, requires that a certain percentage of any increase in lottery funds over the base 1997-98 fiscal year be used to purchase instructional materials.

The money for the quarter ending December 31, 2006 will be distributed as follows:

	<i>Non-Prop 20</i>	<i>Prop 20</i>
